Who should take the Placement Test?

All students entering 9th grade at a District 211 school during the fall of 2010 *must take* a placement test. Students will be placed in high school classes using placement test results and recommendations from junior high school teachers.

When and where does the Placement Test take place?

The placement test will be given at:

Schaumburg High School
Saturday, December 5, 2009
8:00 a.m. until 11:00 a.m.

High School District 211 will provide bus transportation to and from Schaumburg High School. Bus information will be mailed to each family.

If you plan to provide your own transportation to Schaumburg High School, your child **must arrive no later than 7:45 a.m. at the Main Entrance**. Testing begins promptly at 8:00 a.m. If you choose to drive your child home, **please plan to pick up your child by 11:15 a.m.**

What should my child bring to the Placement Test?

Please bring the following to the placement test:

- two No. 2 pencils
- a calculator for the mathematics portion of the test (*allowed, though not required*)

Our high school rules prohibit food and electronic devices (including cell phones, MP3 players, and cameras) at the testing site. No money is required to take this test.

** Enrollment materials may be brought to the Student Services office on the test date.

What Placement Test will my child be taking?

Your child will be taking the EXPLORE Test, part of the ACT Test series. The test includes the following sub-areas:

- Interest Inventory
- English
- Mathematics
- Reading
- Science

Test results allow us to make initial assessments of your child's skills and abilities. Information gathered from junior high school teacher recommendations and conferences are essential to High School District 211's placement process. This information may be used as criteria for placement in special programs, such as accelerated courses or general-level programs. Recommendations for summer school programs also may be made as a result of the test scores.

What if my child misses or cannot make the December 5 test date?

Please call Schaumburg High School's Student Services Department for additional information at (847) 755-4630.

What do I do if I have questions concerning the Placement Test?
